Friday 17th June 2022

Dear Families and Friends,

Feeding of the 5000

This Sunday, our Gospel reading from Luke 9:11-17 tells the story of Jesus feeding the crowd of 5000. The twelve apostles, in genuine concern for the well-being of the crowd, made a practical suggestion to Jesus that it was time to send the people home so that they can find food and lodgings for the night. But Jesus responded by saying 'Give them something to eat yourselves.' The apostles were surprised by his response as to them, it seemed impossible.

Sitting the crowd down in groups, miraculously, with only five loaves of bread and two fish, the apostles were able to feed the entire crowd – and even after every one had eaten, they had enough scraps remaining to fill twelve baskets.

It is significant that Jesus himself did not deal directly with the crowd. He leaves the distribution entirely to the disciples. Likewise, we are all called to support the work of Jesus through our words and actions, even if sometimes the task seems impossible.

St Justin's Student Reports will be available online again

As with Student Reports during 2021, Student Reports for this term will be made available to families via the online nForma Parent Portal again. Instructions on how to access the nForma Parent Portal will be sent out to the email addresses that have been previously supplied to the school. These emails will be sent out on Thursday 24th June.

It is very important that you have updated your email address with the school, as an automated email containing instructions and login details will come from no-reply@nforma.com.au and not the school. Please ensure that you check your junk/spam folder for an email from that address. If you have previously accessed reports in 2021, the same email will be used.

It is highly recommended that you use a computer to access your child's reports for the first time. Subsequent logins can be made on a mobile device if preferred. Once you have followed the instructions, you will be able to view your child's report online. Once in the portal you will need to choose your child (if you have more than one at our school) and then choose the reporting component.

Forgotten nForma Portal passwords: *If you have forgotten your password, please follow the 'forgotten password' link. **Please note that your new password needs to be at least 7 characters long and must include at least one non alpha-numeric character, e.g. *, - / or similar.***

If you have requested a password reset and the email does not appear, please look in your junk/spam folder for an email from no-reply@nforma.com.au.

If you have any questions or issues, please contact Mrs Annie Herbison in the school office.

New 2022 Victorian Child Safe Standards and Ministerial Order No. 1359

In July 2021, the Victorian Government announced new Child Safe Standards (CSS) to further strengthen child safe environments and protect children from abuse. The new CSS come into effect on Friday 1 July 2022.

From 1 July 2022, 11 new Victorian Child Safe Standards will replace Victoria's seven current Child Safe Standards and principles in place since 2016.

The revised Victorian CSS support greater national consistency, reflecting the National Principles for Child Safe Organisations, developed following the Royal Commission into Institutional Responses to Child Sexual Abuse. The CSS include new requirements, including:

- the involvement of families and students in child safety efforts*
- focus on the safety of Aboriginal children and young people*
- management of the risk of child abuse in online environments*
- governance, systems and processes to keep students safe.*

The CSS are underpinned by Ministerial Order No. 1359 (MO 1359), which was released by the Victorian Government on 10 February 2022. MO 1359 defines the actions schools must take to meet the requirements associated with the new CSS.

Why the new Child Safe Standards are so important

The Child Safe Standards aim to:

- promote the safety of children*
- prevent child abuse*
- ensure effective processes are in place to respond to and report all allegations of child abuse.*

The Child Safe Standards work by:

- driving changes in culture – embedding child safety in everyday thinking and practice*
- providing a minimum standard of child safety*
- highlighting we all have a role in keeping children safe from abuse.*

All Children Can Achieve Success

St Justin's Parish School, Wheelers Hill

- 1** | **Culturally safe environments** – Organisations establish a culturally safe environment in which the diverse and unique identities and experiences of Aboriginal children and young people are respected and valued.
- 2** | **Leadership, governance and culture** – Child safety and wellbeing is embedded in organisational leadership, governance and culture.
- 3** | **Child and student empowerment** – Children and young people are empowered about their rights, participate in decisions affecting them and are taken seriously.
- 4** | **Family engagement** – Families and communities are informed, and involved in promoting child safety and wellbeing.
- 5** | **Diversity and equity** – Equity is upheld and diverse needs respected in policy and practice.
- 6** | **Suitable staff and volunteers** – People working with children and young people are suitable and supported to reflect child safety and wellbeing values in practice.
- 7** | **Complaints processes** – Processes for complaints and concerns are child focused.
- 8** | **Child safety knowledge, skills and awareness** – Staff and volunteers are equipped with the knowledge, skills and awareness to keep children and young people safe through ongoing education and training.
- 9** | **Child safety in physical and online environments** – Physical and online environments promote safety and wellbeing while minimising the opportunity for children and young people to be harmed.
- 10** | **Review of child safety practices** – Implementation of the Child Safe Standards is regularly reviewed and improved.
- 11** | **Implementation of child safety practices** – Policies and procedures document how the organisation is safe for children and young people.

Parent Engagement ~ Use of Seesaw Tool

One of our St Justin's goals in these past three years has been to strengthen connections between parents and their child's learning - the use of Seesaw was one strategy we have been using to support this process. If parents have a better understanding of their child's learning needs and their focus, student learning strengthens.

The following data from the Seesaw App indicates parents' weekly engagement in Seesaw for Term 2. It's heartening to see that parents are giving time to reviewing learning tasks of their children on Seesaw and we notice student engagement heightens also when they see responses from their parents and teachers. We continue to encourage this wonderful engagement in your child's learning and to track and discuss goals through this tool.

Chicken Care over the holidays

We are looking for interested and available families who would be happy to come up to school and support our chickens during the holidays.

Our seven chickens - named by our Preps up to the year 6 students as: Robert, Clucky, Coco, Poppy, Kentucky, Nugget and Spaghetti need willing families to check in on their welfare, clean their water, top up their food and give them some time to forage out of their coop if you can.

This process only needs to take about 30 mins.

We are very fortunate to have some very helpful and generous families who have cared for the chickens over previous holidays and would welcome any new families who might be interested, but would like to know more.

*If you are able and willing to help on ONE day of the holidays, can you please go indicate the day you can help. Please go to: www.schoolinterviews.com.au Use the code: **ruhzk** and select a day you can assist. You can come up to the school at ANY time during that day and instructions will be emailed to you after you have indicated your preferred day.*

Please email Anne Deegan adeegan@sjwheelershill.catholic.edu.au if you would like more information.

Thanking you in advance.

PARKING

Parents, please remember that the staff carpark is for staff only. If you have business at the school during the day or if you are picking up an unwell or injured child, you may drive up to the carpark but please drive up slowly and take care when doing so. If you are attending an excursion as a parent helper, please park out on the street or in the Church carpark.

Parents are asked not to use the staff carpark for drop off, especially for Running Club – it not safe.

Student-Led Conferences - Feedback

Thank you to the many parents who took the time to complete the Feedback survey for our Student Led conferences. If you haven't done so as yet, the survey is still open and accessible -

ST JUSTIN'S PARISH PRIMARY SCHOOL
WHEELERS HILL

OUR FORMS & POLICIES
ST JUSTIN'S PARISH PRIMARY SCHOOL

St Justin's is a school which operates with the consent of the Catholic Archbishop of Melbourne and is operated and governed by Melbourne Archdiocese Catholic Schools Ltd (MACS).

MACS governs and operates 292 Catholic schools in the Archdiocese to continue the mission of Catholic education to proclaim the Good News and equip our young people with the knowledge, skills and hope to live meaningful lives and enrich the world around them.

Because the good work of educating the young is a co-responsible task led by every member of the Catholic school community, School Advisory Councils have been established to provide a crucial point of connection between the wider school community and school leaders.

This governance model was designed to ease the administrative burden on our schools and parishes, allow parish priests to focus on the mission of education in the parish, enable greater collaboration between schools and ensure greater consistency in school policies and procedures.

The School may, from time to time, review and update their policies to take into account new laws, regulations, changes to the School's operations and practices and to make sure it remains appropriate to the changing school environment. Please check these policies on a regular basis for updates and download the forms here to ensure that you are using the latest version.

'The Show Must Go On' - St. Justin's 2021 School Production – order form attached

2021 was certainly a year that challenged us all. Planning for the Production started in Term 1 but Covid had other plans for us. We had to come up with a different way for the students to experience putting on a show.

Instead of performing in front of a live audience, we filmed the production at school so that the children could still have the performance experience with costumes, makeup, lightning, props, cameras and sound.

Many students began learning their songs and dances during remote learning. So did the Main Cast, spending their time on Google Meets rehearsing their lines. The students did a fantastic job and really only got to rehearse their dances as a group when they returned in Term 4. The main cast attended extra rehearsals during lunchtimes and in the afternoons to prepare for their parts during Term 4.

CONGRATULATIONS TO ALL STUDENTS FOR THEIR AWESOME EFFORT AND THEIR AMAZING PERFORMANCE!

Story line . . .

A Sad Clown is sitting on a chair head bowed on hands..... Silence.

In rides a Happy Clown..... and notices the Sad Clown.

Why is the Sad Clown so sad??

The Ringmaster has GONE MISSING..... But the SHOW MUST GO ON!!

Follow the Happy and Sad Clown through the different acts of the circus in search of their RINGMASTER.

Can THE SHOW go on without the RINGMASTER???

WHO IS THE RINGMASTER???

An order form for the production will be sent home next week and we hope to have all copies by the end of the term. The video will be available on a USB stick for \$30 per unit – it should play on most computers and smart tvs. Can we please have all orders in by Thursday 16th June, 2022.

MUSIC SOIREE

The 2022 Music Soiree will be postponed until Term 3 - Week 2 on Thursday 21st July.

This will give all ensembles and performers more time to rehearse and prepare for a spectacular performance.

More details to follow closer to the event.

COVID Procedures at Schools

Face masks

Face masks, while recommended, are not required in any school setting. This means students in grades 3 to 6, staff and visitors in primary schools are no longer required to wear face masks. Any student or staff member who wishes to wear a mask may do so, including those who are medically at-risk.

Rapid antigen test screening requirements

Students who have tested positive for COVID-19, and have completed their 7-day isolation period, now do not need to undertake rapid antigen test (RAT) screening for 12 weeks after their release from isolation. This was previously 8 weeks.

Household contacts

Students who are household contacts of a COVID-19 case are not required to quarantine. They may return to school as long as they undertake rapid antigen tests (RAT) 5 times during their 7-day period. They are required to notify the school that they are a household contact.

Students aged 8 years and above who are household contacts are required to wear face masks when indoors at school unless they have a valid exemption.

If a student household contact returns a positive RAT result, they must isolate for 7 days.

Vaccination requirements for visitors to schools

Parents, carers and other adult visitors (not performing work) are no longer required to show evidence of two doses of COVID-19 vaccine.

RAT screening program reminder

- RATs will continue to be distributed to you as they have been throughout this school year for the remainder of this term.*
- However, from Monday 23 May 2022, we do not recommend that your child complete a RAT twice a week as previously advised.*
- RATs will continue to be required by students who are household contacts to attend school (five negative tests over a seven-day period) or who have symptoms.*
- The ongoing supply of RATs to families in our school will ensure that parents and carers have tests should they need them if their child is a household contact or has symptoms.*
- Families must continue to notify the Department of Health and the school if their child returns a positive RAT result. Additionally, you should inform us if any of your children are household contacts.*
- Thank you to all families who have gotten their child vaccinated. Vaccination continues to remain the best way to protect students and staff in our school.*
- Getting vaccinated is easy and bookings can be done via the Department of Health's website <https://portal.cvms.vic.gov.au>. If you have any questions about the vaccines, I encourage you to speak to your GP or a health practitioner.*

Workers and Volunteers in Schools under the Pandemic (Workplace) Order 2022 (No. 8)
Education workers, include any volunteers that attend an education facility and that work in close proximity to children, students or staff, must be fully vaccinated (boosted) or have an exemption

Newsletter

Dear Families,

This week at YOUR OSHC, we have been learning various games and arts and crafts related to indigenous cultures. 'Be Brave Make Change' is this year's theme. We have been concentrating on this area a lot and trying to get the children to make a difference they feel is important to them. You can achieve your big goals by taking little steps each day. The children have enjoyed the craft we have provided. A little bit of the background of the art was discussed to give children a better sense of their larger community.

Additionally, we have been focusing on the children's interests. Younger children have been participating in Lego building, cooking experiences, enhancing their social, language, and fine motor skills. They are also gaining confidence and becoming creative.

I can't believe we are about to finish term 2, which means holidays are just around the corner. If you are thinking of sending your child/ren for the holidays, please check out the program and book early to allow us to organise staff and resources. Camp Australia has planned some fun activities for the children to keep them busy for the two weeks. Later bookings can result in disappointment for children.

Unfortunately, we do not provide a holiday program on site. However, the closest services providing Rocketeers (Holiday Clubs) are Brandon Park Primary School and Good Shepherd Parish Wheelers Hill. Additional Rocketeers information is also attached to this week's Newsletter.

Stay safe until next week.

All Children Can Achieve Success

St Justin's Parish School, Wheelers Hill

A young woman with dark hair and glasses, wearing a dark blue school blazer with white piping and a blue tie, is sitting at a desk in a library. She is smiling and looking towards the right. In the background, there are bookshelves filled with books. A large, semi-transparent red banner covers the bottom half of the image, containing text and logos.

A circular gold logo with the text "OFFICIAL" on the left and "AVILA College" in the center. The logo features a central emblem with a cross and a book.

A shield-shaped logo with a cross in the center and the text "ECCLESIAE FILIA" at the top.
