Bulletin No 30

Friday 17th September 2021

Dear Families and Friends,

As we come to the end of an eventful term we take this opportunity to be grateful for everything we have learnt and achieved during this difficult time. Let us hope that we return to school at the commencement of term 4. We wish all our families a safe, restful and blessed holiday.

Prayer For Hope:

Heavenly father,

I am your humble servant,

I come before you today in need of hope.

There are times when I feel helpless,

There are times when I feel weak.

I pray for hope.

I need hope for a better future.

I need hope for a better life.

I need hope for love and kindness.

Some say that the sky is at it's darkest just before the light.

I pray that this is true, for all seems dark.

I need your light, Lord, in every way.

I pray to be filled with your light from head to toe.

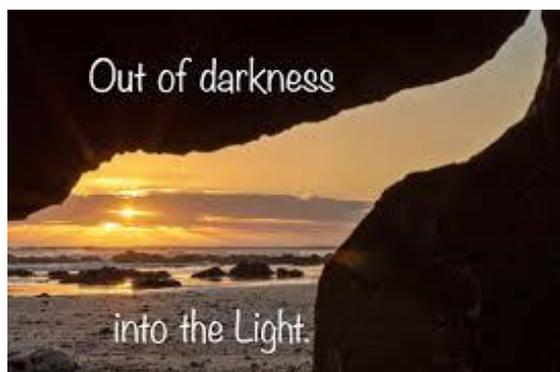

To bask in your glory.

To know that all is right in the world, as you have planned, and as you want it to be.

Help me to walk in your light, and live my life in faith and glory.

In your name I pray,

Amen.

Thank you!

I wish to extend a thank you to all members of our community for your perseverance and resilience throughout this challenging term.

*Thank you to our **children**, who, despite everything, have continued to push through, even on the hard days, and do what they could in the circumstances. One day you will realise what has happened here in these past few years and recall the tribulations and hopefully also the triumphs. Well done to you all!*

*Thank you to our **families** for staying the course, trusting us that we could continue to provide a well-rounded deep curriculum in spite of our locations.*

All Children Can Achieve Success

St Justin's Parish School, Wheelers Hill

Thank you to our staff, for your unwavering dedication to producing excellence in programming an engaging, broad curriculum which has attempted to meet the variety of various children's needs, and for always keeping their wellbeing at the centre of all we do.

Thank you and Farewell Sarah Crough

This week we said thank you and best wishes to one of our Prep teachers, Mrs Sarah Crough. Sarah has taught in Prep LC this year and leaves us to have her third child. Sarah is always such a bright and happy person to have here at St Justin's and I know she will be greatly missed by her students and parents, but we wish her every happiness as she takes this next step in her family journey.

Next term we welcome Mrs Lisa Braybrook to Prep LC on Thursdays. Lisa returns to us from maternity leave to pick up this position. We are delighted to see her return to St Justin's and wish her well as she settles back into teaching.

Moving into Term 4

*Just a reminder to all families to please continue to monitor your **email** and the **Skoolbag App** over the holidays for updates about Term 4 and the news about the return to onsite learning.*

School devices over the holidays

We are asking for your assistance in regards to the St. Justin's school devices over the holidays. As per the user agreement, we remind you all that devices are for school learning purposes only and are not for gaming over the holidays. They should be stored appropriately in a safe place, away from food & drinks. Unfortunately any damages to the device and/or accessories on the school holidays will need to be paid for by the family. We thank you for your support in keeping our devices ready for learning.

Student work books and any completed worksheets will also need to be returned when onsite learning commences. Classroom teachers will use the work students have done in their books as part of their assessment so please also keep these in a safe place over the holiday period.

School Fees

School fees were due to be finalised at the end of Term 3, however we have now extended the payment date to finalise all 2021 school fees to Friday October 15 unless you have pre-arranged payment plans.

Families who have a child in Years 3 or 4 have received a credit of \$156.00 which was the Camp Fee charged for this year's Year 3/4 Camp cancelled earlier this month due to the restrictions.

As is our ongoing practice, should any family's financial situation have changed, please contact Patrick Torpey or office staff on 9561 7644 or email principal@sjwheelershill.catholic.edu.au.

Keeping Children Learning Over the Holidays

As we will be continuing in some form of lockdown over

the holidays, it might be good to keep your child's mind active and continue to grow in their learning through keeping up their reading as much as you can. It really doesn't matter what they read during

All Children Can Achieve Success

St Justin's Parish School, Wheelers Hill

holidays, but keeping them in the habit of reading just a little bit each day can avoid the “holiday slump” which some children can experience after a break. It would be a really good opportunity to give our children a break from the screen over these next two weeks, so any books, magazines, newspapers, fliers you can access for reading would be fabulous. Re-reading books that children love is also a great way for children to develop a passion for reading. As we know, the second and third time we read a book, we have a much deeper understanding of what happened and the characters. Some simple tips for parents are below:

Read with your child every day

Regular reading routines are essential to developing effective reading habits.

Set aside a time every day when you and your child can read together, and another time when you can discuss your favourite parts of the book.

If you are reading with your child and they come to a word that they don't know or aren't sure of, remember the following simple rules:

Wait: Give your child a chance to figure out the word on their own. Don't be the instant word factory and supply the word – help your child to be a resourceful reader by allowing them time to gather more information and clues.

Ask: Does that make sense? Does the picture give you a clue? Could you read on for more information? Asking these questions reminds your child of the different strategies they can use to figure out what the text is saying.

Then: If the child is still stuck on that word, ask them to skip it and read on. You can always drop that word into the conversation as you turn the page. This supplies the unknown word and has the added advantage of not shaming the child for being wrong.

One of the best gifts that you can give your child over the holidays is to spend time with them finding, sharing and exploring exciting books.

Premier's Reading Challenge

*Congratulations to the 49 students who completed the Premier's Reading Challenge. Well done St Justin's!! You finished a total of **2672** books. A few weeks ago I made a prediction that students of St Justin's would only finish reading 2400 books. Boy was I wrong! On behalf of all the teachers in the school, we salute you, St Justin's, for your terrific efforts in not only boosting your reading skills, but also showing a passion and enjoyment for reading.*

Mrs Belinda Slonim (Literacy Leader)

Certificates for those students who completed the challenge will be awarded next term.

Here are the recent student completions:

*Jackson PJ
Anahera 1L
Caelan 1L
Keith 2M
Ritesh 2D
Mackenzie 3SD
Ava 3WM

All Children Can Achieve Success

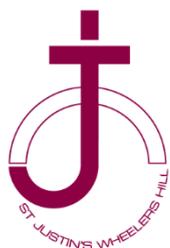

St Justin's Parish School, Wheelers Hill

AFL VICTORIA VIRTUAL FOOTY CLINIC

On Wednesday afternoon our 3/4 students took part in a virtual footy clinic run by AFL Victoria. There were close to 200 students participating from both St Justin's and neighboring schools. It was an enjoyable experience for all involved and one that made for something a bit different during online learning. Well done to all of our participating students and thank you to AFL Victoria for the opportunity.

Have a great break everyone and enjoy the grand final next weekend.

Mr Johnson

PARENT TEACHER INTERVIEWS / STUDENT LED CONFERENCES

Parent/Teacher Interviews / Student Led Conferences will be held on Tuesday October 12 between 3.45-5.30pm and Thursday October 14, 2021 between 2.00-8.00pm.

Interviews are strictly 15 minutes and will be conducted online via the platform of Whereby. Students are invited to share with you a little about their learning for the first 5 minutes, particularly about the Home Learning Program. This will be guided by the class teacher and you will also be invited to join in. The remaining 10 minutes of the interview will be for you to discuss your child's progress with the teacher. Children may be asked to stay in the meeting or you may require time with the teacher alone.

Go to www.schoolinterviews.com.au

MAKE A BOOKING

Enter the code **5b9c2**

Enter your details

Select your child's teacher

Select your appointment

When you click FINISH your selected bookings will be emailed to you immediately. If you not receive your email, please check your junk-mail, or enter the event code again and check your email address spelling. Update your details if email address is incorrect.

DO NOT DELETE the email you receive. Keep it somewhere safe. You may need to refer back to it at a later date.

REMEMBER TO ADD YOUR APPOINTMENTS TO YOUR CALENDAR - reminders will not be sent home.

Bookings are open and must be finalised by Friday October 8 at 3.30pm.

If you need to view, cancel, change or print your bookings:

- Click on the link in the confirmation email you received after you made your bookings
- OR return to www.schoolinterviews.com.au and enter the code and the email address you used when making your bookings.

All Children Can Achieve Success

Sustainability News

Marine Ambassadors

This week's focus for the Marine Ambassadors Google Meet was on repairing items to prevent them ending up in landfill. **Martine Postma** initiated Repair Cafe and held the first one in Amsterdam in 2009. There are over 2000 repair cafes worldwide. The ultimate objective of these cafés is to promote a sustainable society.

Visitors bring their broken items from home. Together with the specialists they start making their repairs in the Repair Café. It's an ongoing learning process. If you have nothing to repair, you can enjoy a cup of tea or coffee. Or you can lend a hand with someone else's repair job. You can also get inspired at the reading table – by leafing through books on repairs and DIY.

Have you repaired anything at your home to avoid it going to landfill? - we would love to hear from you and feature you in our school newsletter. Email any photos to adeegan@sjwheelershill.catholic.edu.au

Sustainability Leaders

With more than 80 virtual events and experiences, the Victoria Nature Festival returns for its second year full of creative ways to connect with and act for nature from home. The Victoria Nature Festival has something for people of all ages, abilities, and interests.

<https://www.together.vic.gov.au/victoria-nature-festival>

Michael K: From the 11th to the 26th of September, there will be a nature festival. If you do choose to participate there will be live streams and videos about nature and wildlife. You can do all of this while being in the comfort of your home.

Eastern Barred Bandicoot In a remarkable first for Australian wildlife, an animal species classified as extinct in the wild has been saved from a complete wipeout. The Eastern Barred Bandicoot in Victoria has been the focus of a 30-year-long rescue program after its population shrank to just 150 animals in the wild in 1989, near the Victorian town of Hamilton. The once-common species had been driven to the brink of extinction by habitat destruction and by predators such as foxes and cats - neither native to Australia. This is a wonderful example of when communities work together, great work can be achieved, even reversing damage caused by human behaviour. Watch video from BTN for more

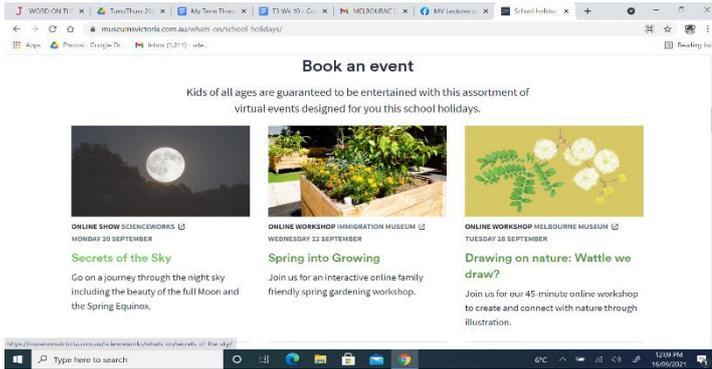

information: <https://video.link/w/ytx9c>

International Day for the Preservation of the Ozone Layer.

Thursday 16th September is international day for the preservation of the ozone layer. The ozone layer, a fragile shield of gas, protects the Earth from the harmful portion of the rays of the sun, thus helping preserve life on the planet.

Museums Victoria

There are many interactive online events and activities that you can enjoy from home these Spring school holidays presented by Museums Victoria. Check out their website:

[School holidays](#)

Garden

We have been busy planting all sorts of vegetables for summer harvest including broccoli, spinach, silverbeet, beetroot, carrot, tomato, corn, radish, celery, lettuce and capsicum. Some temporary fencing has been erected to deter the chickens, however they are crafty little critters so more secure fencing is imminent! There is much weeding of old

garden beds happening as well as mulching, composting and watering. We are really hoping to be able to share this harvest with students on site next term. Being out in the garden is a great distraction, a great form of exercise and a wonderful way to unwind out in nature.

Stewards of our School (SOOS)

Our year 4 stewards planted spud towers many weeks ago using chicken wire and garden stakes to make the cylindrical frames. Potatoes were planted, adding straw and soil, with lots of water. As the foliage comes through more soil and straw is added to top up the tower. We have seen much growth and are looking forward to seeing what is beneath it all!!

The stewards have also been wondering and preparing to interview members of the Monash Council responsible for caring for the area adjacent to our school called Whalley Drive Reserve. We are hoping to hold this interview early next term to find out what work has been happening to conserve the area, and why the recent discovery of 'scat' has got them so excited!!

Kitchen Garden

This week the year 2 students have become familiar with flowers that are edible. The recipe this week involved making biscuits decorated with edible flowers.

Some flowers which can be eaten include:

1. Lavender leaves and flowers
2. Marigold petals
3. Nasturtium leaves and flowers
4. Fuchsia flowers

5. Sunflower seeds and petals

All Children Can Achieve Success

St Justin's Parish School, Wheelers Hill

6. Cornflower petals
7. Rose petals
8. Fruit blossom from apricot, pear and apple trees
9. Vegetable flowers from pumpkin, zucchini and pea plants.
10. Flowers from vegetables that have gone to seed such as rocket and broccoli

This week's recipe is very simple using only two ingredients: yoghurt and flour. The recipe for Greek yoghurt bread rolls is provided below.

Dominique, Lux, Tyson and Andrew F have already made them and shared these photos on Seesaw.

Photo of your Greek Yoghurt Rolls

All Children Can Achieve Success

St Justin's Parish School, Wheelers Hill

Last week in the garden we focused on plant propagation, learning how to take a herb cutting and prepare it to be planted to make a new plant. Students were shown how to make a newspaper pot which can be planted straight into the garden once it has taken root.

At 2:00 on Thursday students were invited to a google meet for a live session on propagating. We have some very clever and capable students who were able to explain the meaning of propagation, and describe the process from seed to plant. In the live session we demonstrated how to make a newspaper pot and use this to house the newly propagated cuttings from lavender and rosemary.

This week we discussed the conditions seeds need to allow them to germinate in colder temperatures. By reusing plastic berry punnets we are avoiding single use plastic, and creating a mini greenhouse perfect to help the seeds before warmer weather arrives. Using egg cartons to house the soil is also a sustainable practice.

Next term the year one students will have their kitchen garden experience for the first five weeks, with Preps in the second half of the term.

Recipes:

Edible Flower Cookies

Ingredients:

Dough

- ½ cup (100 grams) granulated sugar
 - 2 tablespoons orange zest
 - 1 tablespoon lime zest
 - 1 cup (227 grams) unsalted butter softened at room temperature
 - 1 tablespoon pure vanilla extract
 - 2.5 cups (314 grams) all purpose flour
- ⅛ tsp fine sea salt
 - 1 tablespoon fresh mint leaves *optional* finely minced

Flower Topping

- Fresh Pansy Blossoms of desired color or other edible flower of choice
- Mint Leaves
- granulated sugar for sprinkling

Egg Wash

- 1 large egg white lightly beaten

Method:

1. Preheat oven to 160 C and line two large rimmed baking trays with parchment paper or silicone baking mats.
2. In a medium bowl stir together the sugar, orange zest and lime zest to make a citrus sugar mixture using a fork or small whisk and let sit for a couple of minutes.
3. Transfer the citrus sugar to a bowl.
4. Add the softened unsalted butter and vanilla, then beat together on medium for 3-5 minutes until light and fluffy.
5. Add the flour mixture to the creamed butter and mix again on medium low until a cookie dough consistency is formed.

All Children Can Achieve Success

St Justin's Parish School, Wheelers Hill

- Dough should be moist but firm. (if you feel it is dry add a tablespoon of milk-dough should NOT be sticky)
- Remove the dough from the bowl and divide into two halves. Shape each half into a disc and wrap in plastic wrap.
- Place the dough in the fridge to chill for 30 minutes.
- Place one half on a gently floured surface and roll out to 5mm thickness.
- Use a cookie cutter to cut out as many cookies as you like.
- Transfer cookies to prepared baking trays, spacing 3cm apart.
- Using a pastry brush, gently coat a thin layer of beaten egg white onto the centre of each cookie. Then, gently press a flower blossom slightly onto the surface. The back of the blossom may need to sink into the dough for petals to lay flat. Sprinkle lightly with sugar.
- Place the entire tray into the fridge for 10-15 minutes to make sure cookie dough is cold before baking.
- Place trays on the centre rack of the oven. Bake for 15 minutes or until edges start to slightly golden in colour. Bake time may differ between ovens, so keep an eye on the first batch.
- Place cookie sheet on a wire rack and let cool for 5 minutes. Then, using a spatula, transfer cookies off the pan and directly onto the wire rack to cool completely.
- Repeat with remaining half of dough.

Greek yoghurt bread rolls

Makes 6

Ingredients:

- 1 cup (240 ML) plain, thick greek yogurt
- 1 cup (125 g) self raising flour

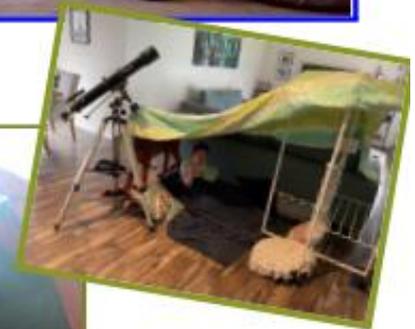

Optional top ingredients

- 1 (1) egg , beaten (optional)
- sesame seeds or other toppings (optional)

Method:

- Preheat oven to 200°C. Line baking sheet pan with baking paper and lightly oil or coat with cooking spray.
- If there's liquid on top of the yogurt, drain it before you measure it out. Combine yogurt and flour until all the flour is mixed into the yogurt and dough forms a ball.
- Lightly flour a cutting board. Knead the dough for about 30 seconds. Cut the dough into 6 equal parts. If dough is sticky, lightly flour your hands. Don't add too much flour or the dough will become tough.
- Roll each dough piece into a ball. Place rolls on prepared baking sheet far enough apart to give room for them to rise. Allow to rest and rise (will rise just a little) for about 15 minutes.
- Optional - Brush egg over the rolls. If adding seeds, sprinkle seeds or seasonings on top of rolls.
- Bake for 25-30 minutes. Rotate sheet pan halfway through cooking.
- After 25-30 minutes and they are lightly browned, increase oven heat to 210°C and bake for additional 4-5 minutes or until the rolls are golden.
- Serve warm or at room temperature.

Middle School HOME Camp Sites

Congratulations to all our Year 3 and 4 students for all the effort they put into designing their own campsites at home. These are a few stand out ones for each grade.

3SD: Olivia, Lachlan, Alice and Leo

3WM: Ted and Aaron

4L: Nathan and Harry

4G: Tristan, Michaela and Jarryd

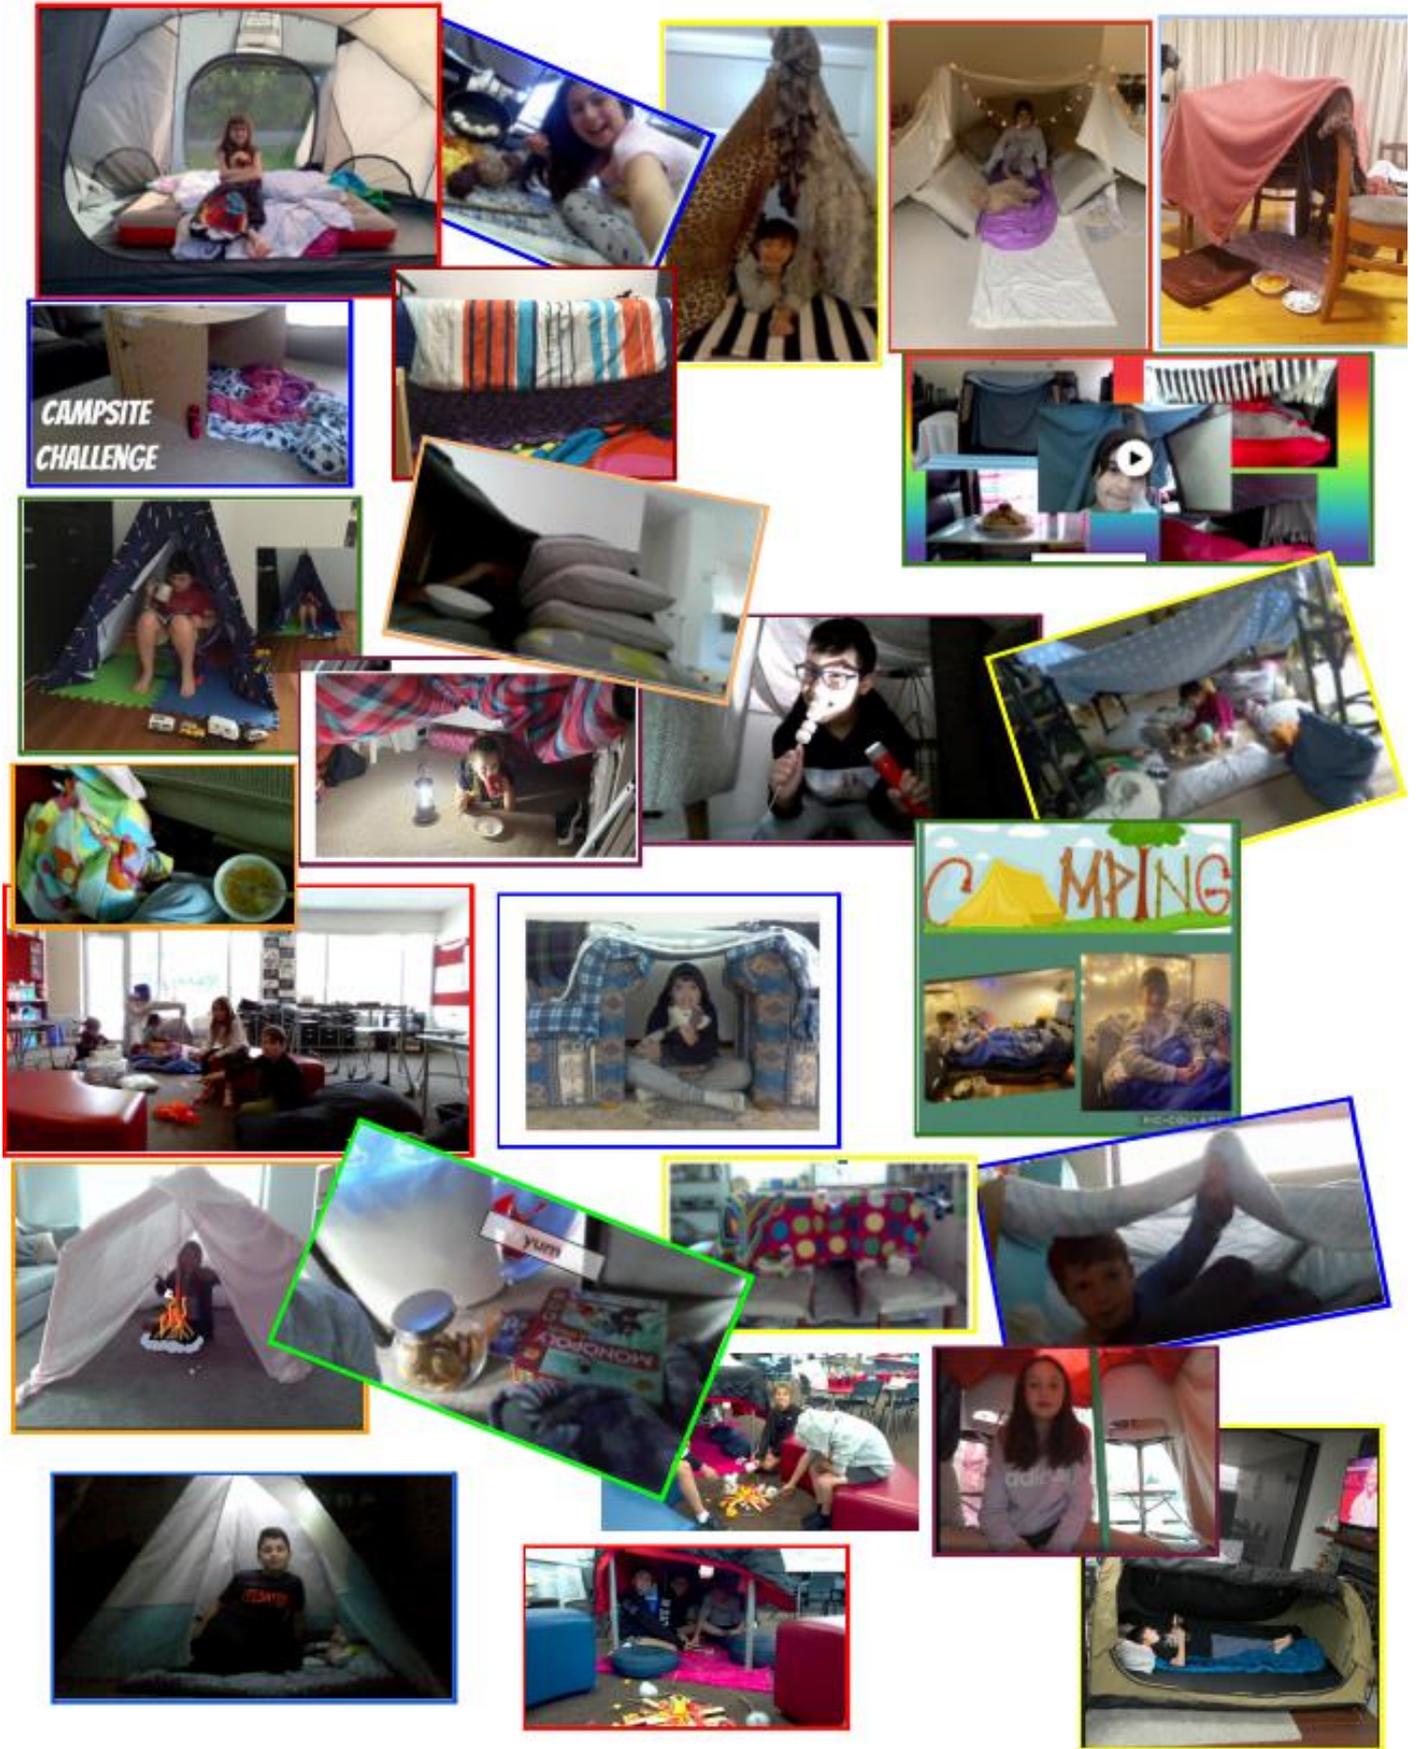

We hope students had fun designing these.

St Justin's Parish School, Wheelers Hill

*What a term it's been! The students have worked so incredibly hard and deserve a BIG break from the screen and from thoughts about school. While these holidays are going to look different again we have everything crossed that our children will be able to see their friends in some capacity and have the opportunity to get outside and enjoy some *fingers crossed* lovely weather! Below are two wonderful matrices of fun, screen-free activities kids can do as well as some great websites that offer viewings of animals, exhibits and lots of other fun things!*

We hope you have a safe and happy holiday break and we really look forward to seeing everyone in person again VERY SOON!

School Holiday Matrix

<p>Have a backyard picnic! Get out your picnic rug and favourite picnic foods. Maybe theme the event!</p>	<p>Build an obstacle course in your backyard or house. Time your family members to see who can finish it the quickest!</p>	<p>Make a cubby using blankets and pegs and hang over your clothes line or over your dining table!</p>	<p>Build a new planet out of Lego. Create an alien or animal to live there.</p>
<p>Challenge yourself with an Hour of Code challenge on Code.org.</p>		<p>Hide something in your backyard, and create a treasure map for a family member to follow!</p>	<p>Learn to cook something. Read a recipe and then make a delectable delight to share with your family.</p>
<p>Share a phone call or video chat with a friend. Talk about why you like each others' company so much.</p>	<p>Design and make shadow puppets. Put on a twilight puppet show. Create a poster, write a story and pick some snacks for your event.</p>	<p>Research and plant some native flowers to bring mini beasts, butterflies and bees to your garden.</p>	<p>Watch some Little Penguins TV with your family at sunset.</p>
<p>Create your own scavenger hunt and go for a walk. Look for animals, cars, colours, flowers or something else of your choice!</p>	<p>Paint, draw or photograph a garden or landscape. Think about colours and composition.</p>	<p>Mystery Box Challenge! Use recycled materials to create a futuristic animal, vehicle or home.</p>

ATTENTION: Parents/Carers of students at risk of ALLERGIES & ASTHMA

We know it can be quite hectic at the commencement of the school year and we are asking all parents/carers of students of children returning to St. Justin's next year, that we will be sending an Operoo notice to all families of students at risk of allergies, and asthma to have you make an appointment with your Child's medical practitioner to complete the relevant forms for your child's medical condition in Term 4 this year.

We thank you for your attention to this notice and you will receive the forms via Operoo in the first week of Term 4.

With the end of term 3 approaching just a reminder to look into the school holiday programs Camp Australia is offering. These can be found at <https://campaaustralia.com.au/rocketeers>

This week we are working to strengthen the relationships week. We will be doing this through art and music, we will be conducting our emergency evacuation drill on Wednesday this will help ensure all children know what to do in an evacuation.

This week's arts and crafts:

- Card making for a friend (stickers, pipe cleaner shapes).
- Book marks for family (Glitter tape, stamps & markers).
- Loom bands here is a link to make loom bands with your fingers and small rubber bands and a plastic hook <https://www.youtube.com/watch?v=VpF2PQk9rrc>.

We hope that you all have a great time on holidays and look forward to hearing all the adventures you get up to at home, I know I am looking forward to creating a fort in my lounge room and watching some movies in there!

Regards
Aradhana

Activities coming up

- Loom Bands
- Card creations
- Bookmarks

What's on the menu

- Oats with milk
- Pop corns
- Fruit salad

It's free to register

To attend our program, you must register your child. You can register an account with us at pp.campaaustralia.com.au or by downloading our Camp Australia smartphone app from the Apple App Store or on Google Play. Once registered, it's easy to make bookings and manage your account.
