Bulletin No 40

Friday 11th December 2020

Dear Family and Friends,

Third Sunday of Advent

The rose candle will be lit this Sunday, (Gaudete Sunday,) when Father Andrew will also wear rose vestments at Mass. It symbolises a day of rejoicing because the faithful have arrived at the midpoint of Advent and anticipate Christmas.

This Sunday's Scripture reminds us that God has not held back one thing in His love for us. By becoming one with us in our flesh, God has done everything He can to assure us of His saving love. He has shown us how to live lives of sacrifice, justice and love to transform our world.

In the Gospel, the disciples want to know what they can do to earn God's love. Through prayer, we know we can communicate our needs, confident that God has heard our words and so sent love itself in Jesus Christ.

Thank you

It is hard to believe that another year is almost over – actually, I'm not sure this year even began with first the bushfires and then the pandemic. Again, a "big thank you" to all our students, parents and carers for your continued resilience and support throughout this year. It has been easy with off site, onsite learning, but through our collective efforts, our students have continued on their learning journey.

It certainly feels great to be part of St Justin's community, made easier by a number of people. A huge thank you to Fr Andrew and all the staff at St Justin's – they are committed professionals who aim to provide the very best in education. It is these people who help our students grow, leading by example, pushing with encouragement or walking beside with support. I thank them for the care, guidance and support that they give to each and every student. I also thank the Parish Education Board, the Parents and Friends Committee, the Maintenance and Development Committee and the various sub committees for the amazing work they do in helping to support such a wonderful community. Whilst we may not have had the opportunities to be as involved in the school as much as we would have liked, your dedication, enthusiasm and encouragement is appreciated by all.

Thank you also to the families leaving our school, some after a very long and happy association with St Justin's Primary School. We wish them well and thank them for their contributions. Remember, you are still a valued member of the St Justin's Parish and the door is always open.

Thanks everyone for your prayers and encouragement throughout the year. St Justin's is certainly more than buildings, curriculum, meetings, fundraising and working bees. It is a community rich in love, support and a genuine concern for others.

We wish you all a happy and holy Christmas and a safe summer holiday.

All Children Can Achieve Success

St Justin's Parish School, Wheelers Hill

Step Up

Next Tuesday, 15th December, between 10-11am, all out students will be involved in our Annual Step Up. This gives all students an opportunity to meet with their teacher for the following year, get to know who their classmates will be and know their room for the new year. As educators we understand the need for pastoral activities such as these in transition, to help students prepare for change. As always, we have laboured over the decisions about teachers, classes and friends and have taken a professional and pastoral approach in this process. As parents, you can certainly facilitate a positive experience by speaking about it positively, using growth mindset language and focusing on what students can look forward to when change occurs. Thank you for your support of this process.

End of Year break up

School will conclude for 2020 on Wednesday December 16th at 1.00pm. A staggered pick up will apply with a slight modification to the times:

- 1:00 pm pick (usually 3:15pm)*
- 1:05pm pick up (usually 3:20pm)*
- 1:10pm pick up (usually 3:25pm)*
- 1:15pm pick up (usually 3:30pm)*

Staff will join students at the various pick up points.

We wish you and your families a happy and safe Christmas and New Year.

Start of the 2021 School Year

Next year staff will officially commence school on Wednesday 27th January. Again, we will again use the first two student days (Thursday 28th January 2021 and Friday 29th January 2021) of the school year for each student to have a 30-minute one-on-one session with their teacher. Not only does it allow classroom teachers to undertake various individual assessments with each student, but also provides an opportunity for each child to “check in” with his or her teacher before the school year begins, becoming more familiar with the classroom and the teacher.

Families will be notified in due course how to make a booking, so stay tuned for this information.

Minor Works

Over the holidays, we hope to complete some minor works around the school. Apart from a thorough clean from top to bottom,

- A new sliding electronic gate will be installed at the front of the driveway. Works will commence before Christmas and should be completed before school commences. Please note that on Monday 21st December – Wednesday 23rd December, there will be no vehicle access to the school grounds.*
- The library will undergo a makeover with new lights, carpet, paint and pin boards. Works will commence on Monday 21st and should be completed by mid-January.*

St Justin's Parish School, Wheelers Hill

Year 6 Graduation Celebrations 2020

This year, with Covid restrictions, the end of the year celebration will look a little different for our Year 6 students, although certainly no less special.

On Monday December 14th 2020, Year 6 will have a fun day at school. A number of activities have been organised including inflatable activities, a picnic lunch and a colour run/walk around the school with all students forming a guard of honour and teachers administering a "splash of colour". The back oval will be restricted to Year 6 on this day.

On Tuesday 15th December 2020 commencing at 6:00pm we will conduct our Graduation Mass. Again, due to restrictions, our Mass will be held outside on the basketball/netball courts. Whilst it is outside, I'm sure we will still maintain the same respect and reverence we would as if the Mass was in the Church. AS it is a Mass, the same guidelines apply – registration on arrival, social distancing, capped numbers, masks to be carried/worn, etc. Guest are reminded that there is no parking on the parish grounds, register on arrival (please arrive early), bring your own chair and maintain a respectful environment.

Following our Graduation Mass, student will then make their way to the back oval for a "Movie Under the Stars" where the will enjoy dinner and a movie and the big screen.

We are really looking forward to our graduation ceremonies and thank everyone who has helped make these events happen – not easy in an ever-changing environment.

Charity Day Event

Today was a fantastic opportunity for our students to learn about some of the wonderful charities that are doing good work in our communities. Thank you to our students for their very generous donations for the seven different charities that were highlighted, and a big congratulations to Sienna and Madeline for their efforts in planning, coordinating and delivering the activities to the classrooms along with collecting the donations in the relevant year levels.

Five tips for parents to manage their child's screen time during the school holidays

It's school holiday time and parents are now faced with the task of keeping their kids entertained during the break while at the same time managing their screen time.

Dr Joanne Orlando, a leading expert when it comes to children and technology, says parents have lots of options over the summer holidays that will keep the kids happy, active and creative.

She has come up with some great strategies to keep the kids happy without spending endless hours on devices. Here are Dr Jo's Top 5 tips for managing screen time over the holidays:

- 1. Encourage your child to use their device creatively over the summer holidays. Instead of watching endless hours of YouTube, set them up with a technology holiday project. They could spend the day making a video of the family, or they could script and act out a playscene with their toys where their toys become the stars of the video.*
- 2. For working parents, juggling work with school holidays, devices can seem like the only option of keeping kids quiet while you work. Repeatedly doing this however can lead to unhealthy hours spent on devices and in the long term kids wanting even more screentime. Aim to use a range of strategies to keep kids busy.*
- 3. Get your child to play with others when they are on their device, including you. Playing a good quality game together is a great way to develop their language and social skills and their problem solving skills.*
- 4. Create new habits for waking up that don't involve going straight to their device. For example, encourage kids to play with the dog first thing in the morning, or they could start the day drawing a 'picture of the day' to put on the fridge.*
- 5. Get your kids to write e-books about their holiday activities. This involves writing the story, creating photos, video or animations on their device to add to their writing. This is a great, creative holiday activity.*

Apple has a number of features that can help parents and the whole family. Screen Time, a new feature of iOS 12, can provide a snapshot of how much time you spend on your devices. It also breaks it down into use of particular apps and websites. From here it's easy to set limits in terms of time and content as well as creating exceptions for specific apps like messages or educational apps.

Family Sharing is also helpful for managing content. When a child wants to download an app or make an in-app purchase, they need to be approved by mum or dad. This also allows the family to share the movies, TV shows, music and books that have already been downloaded.

More tips that are useful can be found on the Inform and Empower Cyber Safety Education website <https://www.informandempower.com.au/about> an interesting read is an article by Carley McGauran titled Green Time vs Screen Time <https://www.informandempower.com.au/post/green-time-vs-screen-time>

Inform & Empower
Cyber Safety Education

It's worth taking the time to explore how we can keep our students safe in an online world, especially as we move into holidays and the use of devices can become used more greatly during this time.

St Justin's Parish School, Wheelers Hill

SCHOOL FEES 2021

St Justin's Primary School, as a Catholic school, receives funding from both the Commonwealth and State Governments, however this funding does not cover the total expenses of the school. Catholic schools are required to cover the shortfall between total expenses and income received through various fees and charges.

School and capital fees together with Commonwealth and State Government grants pay the operational costs of the school. These include such things as salaries, building, ground and equipment maintenance, insurances, capital expenditure, computer equipment, power and water rates, heating/cooling, phone and administration costs, loans etc.

Levies pay for student educational costs such as stationery needs, curriculum/resource materials, photocopying, library books, excursions and incursions, sacramental programs etc.

The School fees are reviewed annually and after careful consideration and consultation with the School Accountant and the Parish Education Board, it was agreed that the family fees remain the same as last year. There have been minor increases in some of the levies as the programs that the children will be involved in next year have increased slightly. The fees are set out below. A statement will be issued at the commencement of next year and families have a variety of options in how they can pay their fees.

Should you have any concerns regarding your fees, please do not hesitate to speak to the Principal. Those with a Health Care Card should also speak to the Principal as discounts may apply.

FAMILY FEE – per family

Tuition Fee – family with one child	\$1824
Tuition Fee – family with two or more children	\$2418
Building Fee	\$225
Maintenance Fee (refundable by attending 2 working bees during year)	\$100

STUDENT LEVY – per student

Curriculum Levy (includes stationery)	\$275
Excursion Levy – Prep to Year 5	\$70
Excursion Levy – Year 6	\$100
Technology eLearning Levy – Prep to Year 2	\$54
Technology eLearning Levy - Year 3 (incl. Chromebook 4 years)	\$215
Technology eLearning Levy – Year 4 (incl. Chromebook 3 years)	\$248
Technology eLearning Levy – Years 5 & 6 (incl. Chromebook)	\$234
Sport Levy – Year 5	\$50
Sport Levy – Year 6	\$50
Swimming Levy – Prep to Year 4	\$130
Year 6 Camp	\$300
Year 5 Camp	\$280
Years 3 & 4 Camp	\$156

Outstanding School Fees

*As the school's financial year draws to a close, all fees owing need to be paid by **Monday December 14th**. If you are having difficulties in paying any outstanding fees, please speak with either myself or Fr Andrew next week regarding alternative arrangements.*

NETBALL NEWS

AUTUMN 2021 Saturday comp Netball Registrations are being taken for next year, all age groups 8 years and over!

Games are held at Waverley NETBALL Centre, Cnr Jells & Waverley Rds, Glen Waverley each Saturday .

*Gather your friends and get in quick to obtain a spot.
Season commences week of 1st February 2021.*

*For more information, please contact Marg Barnes St Justin's NETBALL CLUB
President [e:margtbarnes@bigpond.com](mailto:margtbarnes@bigpond.com)*

Operoo is the new name for CareMonkey, so we will gradually start removing the name CareMonkey from all of our literature to help you adjust to the new name!

Changing times are upon us again - students and teachers alike are preparing for the end of the year and thinking about the new adventures 2021 will bring. For many this is an exciting time, but for others the idea of changing classes, meeting new teachers and classmates or moving onto secondary school can be very daunting.

When students change class or move onto secondary schooling, they must adjust to new surroundings, become familiar with new teachers and peers, learn new ways of working, and make sense of the rules and routines that operate in their classes. While students are navigating the formal school environment, they are also adjusting to the social changes that are occurring around them.

Students' response to these changes are largely dependent on their personal coping skills. Developing and practicing a Growth Mindset will set students up for a positive transition not only for school but for change in their future also.

All Children Can Achieve Success

Those with a growth mindset thrive on challenges and see failures as opportunities for growth and development. Through hard work, abilities and intelligence can be developed. This mindset can be applied when approaching a transition period in your life also - transitions are challenges, meet that challenge head on with a positive outlook and a belief that you can succeed and chances are you will. If you don't, a growth mindset allows you to see that failure is a chance for growth.

Encourage your children to see the positives in their new class - they may not be with all their friends but this is a great opportunity to develop new friendships. Maybe they didn't get the teacher they wanted - what a great chance to work with someone new and develop important skills such as communication, collaboration and resilience.

We hope transition is a positive experience for all of our students, it is an exciting time for all of us, especially after the turmoil of 2020.

PARENT'S GUIDE TO A GROWTH MINDSET

Your kid's intelligence can grow!

by Big Life Journal

PRAISE FOR:

- EFFORT
- STRATEGIES
- PROGRESS
- HARD WORK
- PERSISTENCE
- RISING TO A CHALLENGE
- LEARNING FROM A MISTAKE

NOT FOR:

- BEING SMART
- BORN GIFTED
- TALENT
- FIXED ABILITIES
- NOT MAKING MISTAKES

SAY:

- "YOU REALLY TRIED VERY HARD AND YOU USED THE RIGHT STRATEGY!"
- "WHAT A CREATIVE WAY TO SOLVE THAT PROBLEM."

THE POWER OF "NOT YET"

SAY:

- "YOU CAN'T DO IT YET."
- "YOU DON'T KNOW IT YET."

GROWTH MINDSET

YOU CAN IMPROVE AND GROW INTELLIGENCE

VS

FIXED MINDSET

YOU CAN'T IMPROVE NATURAL ABILITIES YOU WERE BORN WITH

BRAIN CAN GROW

SAY:

- "YOUR BRAIN IS LIKE A MUSCLE. WHEN YOU LEARN, YOUR BRAIN GROWS. THE FEELING OF THIS BEING HARD IS THE FEELING OF YOUR BRAIN GROWING!"

RECOGNIZE YOUR OWN MINDSET

BE MINDFUL OF YOUR OWN THINKING AND OF THE MESSAGES YOU SEND WITH YOUR WORDS AND ACTIONS.

FAILURES AND MISTAKES = LEARNING

SAY:

- "YOU CAN LEARN FROM YOUR MISTAKES."
- "MISTAKES HELP YOU IMPROVE."
- "LET'S SEE WHAT OTHER STRATEGIES YOU CAN TRY."

ASK

- WHAT DID YOU DO TODAY THAT MADE YOU THINK HARD?
- WHAT NEW STRATEGIES DID YOU TRY?
- WHAT MISTAKE DID YOU MAKE THAT TAUGHT YOU SOMETHING?
- WHAT DID YOU TRY HARD AT TODAY?

Holidays can take students away from friends and their usual school supports.

Changes to routine can cause some young people to feel stressed, isolated and alone. Parent support is very important at this time.

Below is some information to help you support young people to stay in a healthy headspace in school holidays. There is also some information that may help you to identify when your young person might need some extra support and where to go for help.

There are a number of ways you can support your young person's mental health and wellbeing in the holidays:

1. Encourage them to stay connected

Social relationships are important to your young person's general wellbeing.

It is okay if they take time out for themselves at times, but encourage them to keep in contact with friends over the holidays. Friends can provide both play and support, and spending time with friends is also important for keeping and building on existing friendships.

If your young person is not feeling up to going out, even a phone call, email, text message or Facebook message can help them to feel connected to friends and family.

2. Encourage them to stay involved

Encourage involvement with volunteer work, hobbies, clubs or committees, or sports – these can help young people feel connected to their wider community. Participate with them when you can.

Involve them in decisions and give them responsibility at home (e.g. deciding what to eat for dinner and helping to prepare it).

Help them to identify and set realistic goals. Setting and achieving realistic goals can be incredibly motivating and can help build self-confidence.

3. Encourage physical activity

Physical activity is important for everyone's health and wellbeing. If your young person is feeling down or finding things are difficult, physical activity may be the last thing they feel like doing. But even small activities, like walking around the block, can help relieve stress and frustration, provide a good distraction from worrying thoughts, improve concentration and improve mood.

If your young person is struggling to get active, find a physical activity that you both enjoy and can do together (e.g. swimming, playing sports with friends or cycling) and make a plan to do it regularly.

4. Encourage a regular routine

Getting a good night's sleep helps young people to feel energised, focused and motivated.

Adolescence is a time when a number of changes to the "body clock" impact on sleeping patterns and young people are more likely to have problems with sleep. Developing a sleeping routine can help. Encourage your young person to

wake up around the same time each day, get out of bed when they wake up, and go to bed around the same time each night.

Avoiding caffeine after lunchtime, having a quiet, dark and uncluttered bedroom and shutting down electronic devices before bed can also help them to get a good night's sleep.

5. Encourage healthy eating habits

Eating well doesn't only reduce the risk of physical health problems, like heart disease and diabetes, but it can also help with sleeping patterns, energy levels, mood, and general health and wellbeing.

A good balanced diet with less junk food/ lots of sugars and more veggies, fruit, whole grains and plenty of water will ensure your young person has all of the vitamins and minerals to help their body and brain function well.

6. Encourage play!

Devoting time to just having fun can help to recharge your young person's battery, revitalise their social networks and reduce stress and anxiety.

St Justin's Parish School, Wheelers Hill

Kitchen Garden Program

Our final week for the Prep students and thankfully we had a lovely mild day. Our focus was on completing our special potted sunflower project and making Christmas craft using natural materials. The students learnt about materials and their properties and how some materials can be recycled or reused. They observed up close how the compost system works by breaking down the materials of a variety of items including food scraps, leaves, paper, cardboard, and garden waste. The students were led to discover how we can repurpose materials and try to avoid items going to landfill. The twig Christmas trees were one example of using natural materials for art and craft.

We certainly have missed being able to use our outdoor kitchen for cooking and we really look forward to some normality again next year. In the meantime there is a recipe for carrot and sunflower seed muffins attached for you to try at home.

Marine Ambassador Role 2021

The Year 4 students were invited to apply for the role of Marine Ambassador for 2021. The students completed a form expressing their interest in the role and explaining why they would want to be a Marine Ambassador and what interests them about the environment. The next step of the process was for some of these students to be interviewed by Mr Torpey and Mrs Deegan to further express their interest. We were quite blown away by the articulate and thoughtful responses of the students and their passion for the environment. In collaboration with the Year 4 teachers and other staff members, we will share with you the successful applicants in the next few days.

Holidays

We look forward to 2021 with excitement and passion to continue to focus on sustainable practices and learning more about growing our own food. Please whilst you are on holidays, seize opportunities to

All Children Can Achieve Success

St Justin's Parish School, Wheelers Hill

remind your children about how to care for the environment you are using by collecting your rubbish and respecting living things. The environment is there for us all to enjoy so find the joy in the simple and natural world. It gave us so much pleasure in an otherwise uncomfortable year.

Carrot and Sunflower Seed Muffins

0:15 Prep 0:20 Cook 12 Servings

INGREDIENTS

- 3 eggs
- 1 x 140g container apple fruit puree
- 125ml (1/2 cup) reduced-fat milk or light soy milk
- 70g (1/3 cup) brown sugar
- 1 tablespoon light olive oil
- 155g (1 1/4 cups, firmly packed) finely shredded carrot
- 2 tablespoons sunflower seed kernels
- 1 teaspoon finely grated lemon rind
- 265g (1 3/4 cups) gluten-free all-purpose flour
- 3 1/2 teaspoons gluten-free baking powder
- 1/2 teaspoon mixed spice
- 1 1/2 tablespoons sunflower seed kernels, extra

LEMON ICING

- 150g (1 cup) pure icing sugar
- 2 teaspoons finely grated lemon rind
- 1 teaspoon melted butter
- 1-2 tablespoons fresh lemon juice

METHOD

1. Preheat oven to 180°C. Line twelve 80ml (1/3 cup) capacity muffin pans with paper cases. Whisk together the eggs, apple puree, milk, sugar and oil in a large bowl until well combined. Stir in the carrot, sunflower seeds and lemon rind.
2. Sift the flour mix, baking powder and mixed spice into the carrot mixture. Use a large metal spoon to fold until well combined. Spoon batter evenly among prepared pans.
3. Bake in preheated oven for 18-20 minutes or until a skewer inserted into the centres comes out clean. Remove from oven. Turn muffins onto a wire rack and set aside to cool completely.
4. Meanwhile, to make the lemon icing, sift icing sugar into a bowl. Add the lemon rind and melted butter. Stir in the lemon juice until a smooth paste forms. Drizzle the muffins with icing and sprinkle with the extra sunflower seeds. Set aside for 15 minutes to set.

St Justin's Parish School, Wheelers Hill

And that's a wrap...

Not quite the end of 2020 just yet, but that's it from the P&F for the year. We may not have been able to achieve all that we were wanting when we started planning things out back in Feb, but an amazing group of people still kept coming together to do what could be done. So thank you to all who joined in, in whatever way it was, either for our P&F zoom meetings, or logging kms for our "Walk Around Australia", ordering in our hot lunch events (way back in Term 1) or by supporting some of our community business's.

The end of the year is also when we say goodbye to some families who have supported the school over their time and I wanted to thank those who are leaving for all the years of supporting our community. We wish you all the best in this next big step and hope you still stay come to our Fair On The Hill when it comes around Nov 2021.

Also a big thanks to the lovely ladies in the office, Anne-Maree and Donna, who do such a great job supporting all the things that the P&F do, it wouldn't happen without you.

So that's it. Wishing you and yours a safe and Merry Christmas and all the best for the coming year.

Cheers

Sharon Caruana
