Bulletin No 1

Friday 29<sup>th</sup> January 2021

*Dear Families and Friends,*

Welcome to the 2021 school year. I hope that you were able to spend quality time with loved ones over the Christmas break. A special welcome to you all.

As you can see from the 'Dates Ahead', First Term promises to be yet another busy term. Please note these dates in your diaries so that you don't miss out on anything that is happening at school. We hope that most things can go ahead – we have our fingers crossed.

### 2021 Testing Days

It has been quite insightful spending time with your children, asking them questions in a 1-1 environment that allows us to focus on them in order to gain a picture of what the next steps in their learning journey will be.

Our aim has been to gather the 'whole picture' of your child, rather than simply the academic version. We have had a focus on Maths again, specifically in the area of Place Value. We consider this to be a fundamental area, that lays the foundation for successful learning of Maths, such as addition, multiplication, telling the time just to name a few.

Moving forward, we will use this information to form goals that are personalised and based on your child's next step. We will also be using information we gather to work with our students to develop a growth mindset in their Maths learning. We encourage all our students to see themselves as mathematicians!!

All in all, it has been a wonderful time to break the ice and settle back into school and set us up for a wonderful 2021.

### Cyber Safety Night

### ***Prep 2021 Families***

*We warmly welcome all new families to our school. For our Prep families, on the first day between 8:40am and 8:55am, we invite you to accompany your child to the external classroom door - Miss Leung, Miss Jones and/or Mrs Crough will meet you there. Students will then be asked to place their bag on their chair, find their nametag and make their way to the Undercover Area, outside the Prep classrooms. We will have some activities set up for the students and this would be a great time to take any photos. At 9:00am students will make their way into class with their teacher – this would be a great time to blow a kiss and wave goodbye.*

*On Tuesday night we will have our Prep BBQ. Families are invited to arrive from 5:00pm, collecting a name tag and gathering in the Undercover Area. A BBQ dinner will be served soon after. At 6:00pm, parents will be invited into the Performing Arts Centre for an information Session – all children will be supervised. We look forward to seeing you all there.*

### ***COVID Safe Practices***

*Whilst there has been some easing of the Coronavirus (Covid 19) restrictions, some restrictions still remain in place for schools. We must maintain COVID safe practices which include;*

- socially distancing,*
- carrying a mask to wear if required,*
- using hand sanitiser,*
- greeting each other in a non physical way,*
- signing in to register for contact tracing purposes, etc*
- Any visitors who remain onsite for fifteen minutes or longer must do so for a specific, pre organised purpose and must register their presence for contact tracing. If you require time to discuss matters with a teacher, we ask that you please pre-arrange this via an email. Masks must be worn if meeting face to face with staff for longer than 15 minutes.*

### ***Other practices include:***

- Staff and students will continue with hand sanitising and washing of hands regularly throughout the day.*
- Drink taps are able to be used at school, as per late last year, however we still ask that students please have drink bottles at school.*
- Sharing of food is still not allowed to aid the safety of students with medical and health needs.*
- COVID safe practices such as displaying many signs and posters, sanitising throughout the day, adults maintaining physical distancing and wearing masks at times will continue*
- Outdoor events can continue to take place with social distancing protocols in place and masks if distancing is not possible.*
- Excursions and Camps are permitted to go ahead.*
- Swimming programs can commence with some restrictions in place*
- Interschool Sports will commence for senior students this term.*

### ***Morning Drop Off***

- Morning Drop off will be between 8:40am and 8:55am*
- Family members can either:*
  - kiss and drop from the street (using the same zones as last year is encouraged but certainly not mandatory),*
  - accompany their child/children to one of three school gates, or*
  - accompany their child/children to the classroom external door (Year1 students can enter via the corridor double doors)*

***All Children Can Achieve Success***

## *St Justin's Parish School, Wheelers Hill*

- *Please note: Parents are able to come onsite as long as your presence is under fifteen minutes. Any visitors who remain onsite for fifteen minutes or longer must do so for a specific, pre organised purpose and must register their presence via the office for contact tracing.*
- *If walking your child into the school grounds or classroom, please park on the other side of the street (opposite side to the school) to allow other families to “kiss and drop”. Please be mindful of neighbours’ driveways and parking restrictions, including the 2-minute parking along Grantchester Road.*
- *Please note that masks must be carried at all times. Hand sanitiser will be available. Please stay away if you are unwell.*

### **Pick Up / Dismissal**

*In order to reduce congestion around the school grounds, for the time being, pick up will be the same as last year with the continuation of 4 zones and 4 times, as listed below. For the first week, students will gather in the Undercover area before making their way to the pick up zone*

### ***Morning Arrival***

*Developing independence and responsibility in a child at a young age helps them develop lifelong problem solving strategies for the future. Being independent and responsible for their own things helps them approach challenging situations with greater confidence. Often as a parent, we want to do as much for our children as possible, because it's too hard for them, we don't have enough time, we are afraid of what others might think or we are afraid that they might get hurt. However, doing too much for our children can deny them the opportunity to learn valuable problem solving skills and resilience for the future.*

*Can we please ask that all students carry their own bag to and from school each day. This will assist our students in developing a greater sense of responsibility, ownership and confidence in tackling challenging situations, not only in the classroom, but on the playground as well.*

*We also ask that students to take full responsibility for their own things. In the morning we ask students to enter the classroom, greet their teacher and unpack their bag ready for the commencement of the school day. They are then free to make their way outside to play with their friends.*

*Please also note that staff have other responsibilities outside of their classroom roles and as a result, will be required to be released from class on occasions. These roles are extremely important in ensuring that our school is kept up to date with the latest developments.*

*As well as welcoming back Mrs Helen Interligi, we are also very excited to welcome three new members to our team - Mr Chris Giosis, Mr Trevor Snelling and Ms Sandra Pascuzzi.*

*Mr Giosis has been a teacher for almost 10 years, and has enjoyed working with a variety of teachers across different year levels. Whilst much of his classroom experience has been at St Patrick's Primary School, Mentone and St Simon's Primary School, Rowville, Mr Giosis has coached a variety of sports at different levels, especially basketball. He thoroughly enjoys creating rich and meaningful learning experiences for the students in his care and has been involved in organising many of the extra curricula activities associated with schools. For the past two years, Mr Giosis has worked with Student Leadership teams to help promote and organise social justice events throughout the school. I'm sure Mr Giosis will be a wonderful asset to our team at St Justin's.*

*Mr Trevor Snelling has also been teaching for almost 10 years in a variety of educational settings including the Garden International School, (one of the world's leading International Schools) Kuala Lumpur, Malaysia, St John's College, Preston, and Templeton Primary School, Wantirna. Originally from the UK, Mr Snelling has a love of travel and has experienced many diverse activities and places. He enjoys the theatre, music and cinema and is a keen sportsman, especially enjoying diving, soccer and the AFL. Mr Snelling has had a keen focus on supporting the implementation of many extra curricula activities at his previous schools and has been heavily involved in many worldwide charities.*

*Ms Sandra Pascuzzi joins our team as a Learning Support Officer. Ms Pascuzzi not only has a wealth of experience of her own as a mother of two young adults, but also has worked with young children teaching Yoga and Mindfulness. Ms Pascuzzi joins us our team and we are most excited to have her on board.*

*I'm sure you will join me in welcoming our new staff members and make them feel at home.*

### **Minor Works**

*Over the holidays, we completed some minor works around the school. A new sliding electronic gate was installed at the front of the driveway and the library underwent a makeover with new lights, carpet, paint and pin boards. Whilst we still need to add a few final touches, much of the work has been done – they both look great.*

### **Year P-6 Information Sessions**

*Over the next few weeks, classroom teachers will be conducting Information Sessions – session dates and times are listed below. These sessions will provide an opportunity for us to share our expectations for the year. The Information Sessions will be conducted at the following times in the allocated rooms.*

*If supervision of students is required, please let your classroom teacher know. We would love to have at least one representative from each family.*

*Should you require some additional time to speak to your child's teacher, please arrange a mutually agreeable time to meet with him or her. This can be done via email or through a message in your child's diary. It is also important for teachers to receive any positive feedback – it helps create a wonderful sense of satisfaction in an increasingly difficult job and can better inform teachers of strategies and approaches to learning that are effective for your child. If communicating via email, please be mindful that teachers may take some time to respond.*

*Thank you for your support and cooperation*

### ***Sun Smart***

*A reminder that St Justin's Primary School is a Sun Smart School and as a result, all students are to wear their school hat that protects the face, neck and ears during breaks or lessons, throughout September to the end of April. Sun screen should also be applied at home before coming to school.*

*Over exposure to the sun presents a serious health risk. Students must, therefore, be educated regarding healthy UV exposure balance to help with Vitamin D and suitable sun protection, in order to be protected from overexposure to the sun whilst at school.*

*Students and teachers are encouraged to protect themselves from the harmful effects of the sun through strategies which use a combination of sun protection measures whenever UV Index levels reach 3 and above.*

*Sun protection should be used whenever UV levels are 3 or higher, especially between the months of mid-August to the end of April. During this time, parents should send appropriate sun screen to school and ensure that their child has a suitable hat.*

*Please refer to our website for more information.*

- avoid gathering in a group inside or around the school
- keep 1.5m between yourself and other adults

- avoid handshakes and hugs

2

Rub the sanitiser over all parts of your hands

3

Keep rubbing until hands are completely dry

Stay germ free and healthy

### Smart Phone App

Members of our school community are invited to download our Smart Phone App. The App is used for communication between school and home – it is a portal for notifying absences, newsletters, notices and messages relevant to members of our school community.

To download the app simply search for *St Justins Catholic School, Wheelers Hills* in the App store on your iPhone, Smartphone or iPad.

### Please sign in

Please note that all visitors, contractors, visiting teachers to our school **are required** to sign in via the school office and wear an assigned lanyard, **no matter how long the visit**. This is a practice we are mandated as a school to enforce under the Child Safe Standards, Ministerial Order 870.

The lanyard means that we can identify at a glance any non-teaching staff on our school grounds and have an idea of their purpose. The data base created via the iPad at the front office means that in case of an emergency, we can quickly access the data and inform necessary emergency services of who is on site. If you are a regular helper at our school (which I know many of you are), please speak to one of the administration team who can set up a "Quick Pin" to make the signing in and out process speedier for yourself.

*All Children Can Achieve Success*

## *St Justin's Parish School, Wheelers Hill*

*Please note that students arriving late and/or leaving early, are also required to be signed in /out by an adult via the iPad. Thank you for your cooperation.*

### **CAMP SPORTS AND EXCURSIONS FUND**

This is a Victorian Government initiative which provides payments to schools for eligible students to attend camps, sports and excursions. The amount payable for eligible primary students is \$125 and for those students this amount will be used to reduce their school fees.

To be eligible to receive the payment a parent or legal guardian of a student must on the first days of Terms 1 or 2 be an eligible beneficiary, who hold's a Centrelink Health Care Card (HCC), Pensioner Concession Card (PCC) or a Veterans Affairs Gold Card, or be a temporary foster parent and submit an application to the school.

Please collect an application form from the school office, complete and return as soon as possible. Payments will be made directly to schools from March 2021. Once received, these payments will be credited to school fees.

**Any parent who applied for, and received, the CSEF last year IS NOT REQUIRED to submit a new form this year.**

### ***Music Academy***

*Music Academy lessons will commence the week beginning Monday 3rd February 2020.*

*There are still a few places left so anyone interested in joining in Keyboards, Drums or Singing enrolment forms are available from the school office or via email: [mpalamara@hotmail.com](mailto:mpalamara@hotmail.com)*

Welcome to the 2021 school year!!! We hope all families had an enjoyable and restful time over the holidays and we are all looking forward to a full year of school! (Fingers crossed!!). We would like to extend an extra warm welcome to our Prep parents/carers and any other new families to our school – we hope you enjoy your years at St. Justin's and love being a part of our community.

The Parents and Friends (P&F) Committee aims to assist the school in providing the best possible environment for our children and build on the sense of school community. We hope that many of you feel the same way and join us in whatever way you can.

We will have more information in relation to this years upcoming P&F events in following newsletters, including info on our first hot lunch which will be in just a couple of weeks time. At this stage we're putting the word for volunteers for the Class Rep role and our executive committee.

### ***Class Representatives***

We are looking for volunteers to act as Class Reps, a big thanks to those who have already put their hand up for this, but we still need more volunteers. The role of class rep is to liaise with their respective teachers and help communicate information to the class parents. ### ***P&F Executive Committee***
