

## *St Justin's Parish School, Wheelers Hill*

### **STEAM**

*Last week we did the S (Science) in STEAM.*

*We learnt about oil spills and how they affect the ocean/marine life. We had an activity how to separate the oil from the water. We also had a feather dipped in oil and we had to clean the oil off the feather with the equipment we had. We had 6 minutes to complete the activity and 4 minutes to plan. It was quite difficult but we managed to complete it.*

### **Altar Servers**

*This week an invitation went home inviting students in Years 3 – 6 to be an Altar Server for 2022. Being an Altar Server is a great way to support Fr Andrew and our Parish Community. If anyone is interested, please complete the form sent home this week or contact the Parish or School Office.*

### **2022 LENTEN SCHEDULE**

- **ASH WEDNESDAY MASSES:** 9.15am and 7.00pm
- **STATIONS OF THE CROSS:**
  - Fridays – 7.00pm followed by Mass (7.30pm)
- **WEEKDAYS MASSES:** Tuesday to Saturday – 9.15am
- **WEEKEND MASSES:**
  - Saturdays – 6.00pm (vigil)
  - Sundays – 8.30.am, 10.30am and 5.00pm
- **LENTEN PARISH RECONCILIATION:** Wednesday, 6<sup>th</sup> April – 7.00pm

*All Children Can Achieve Success*

Wednesday 23<sup>rd</sup> March 2022

St. Justin's will be celebrating Maths Day on Wednesday 23<sup>rd</sup> March. The students are invited to dress-up 'Mathematically' – in costumes featuring numbers, shapes, patterns...

The students will be treated to a performance of The Maths Mindset Show - A 'live' show that helps students build a positive Maths mindset, defeat Maths anxiety, and build their confidence in Maths.

There will also be lots of fun activities planned for the students to participate in!

## *St Justin's Parish School, Wheelers Hill*

### *Companion Dog - Welcome Bear*

*We are delighted to introduce to you a very special “staff member”, who will be joining us this year! Bear is a 5 year old black Labrador x Retriever who has been trained as a school ‘companion dog’. Bear belongs to Mrs Stewart. Bear will be involved in many aspects of school life from visits to classrooms and attendance at assemblies from time to time. Bear will always be on a lead and will be mainly seen around and involved with the senior level.*

#### *Companion Dogs Enrich the Classroom Experience:*

- Even children with no exposure to animals or nature in their home environment can see, feel, touch and make connections to the wide world of animals.*
- Companion dogs help students feel more connected and engaged in their learning environment especially after the past 2 years of COVID lockdowns.*
- Observing and caring for an animal instills a sense of responsibility and respect for life.*
- A dog brings increased sensitivity and awareness of the feelings and needs of others—both animals and humans.*
- Children learn that all living things need more than just food and water for survival.*
- Studies show that the presence of animals tends to lessen tension and anxiety.*

*It is very important that Bear is not fed by anyone, because as we know dog's love food!!*

*We look forward to welcoming Bear into our school community. He has already been to visit the Year 6s and seems very happy to part of our community.*

*If you have any concerns regarding your child and Bear, please contact me directly  
[ptorpey@sjwheelershill.catholic.edu.au](mailto:ptorpey@sjwheelershill.catholic.edu.au)*

*All Children Can Achieve Success*

## *St Justin's Parish School, Wheelers Hill*

### ***Perceptual Motor Program (PMP)***

*This week our Preps began their Perceptual Motor Program (PMP) in PE with Mr Johnson. This program aims to develop children's balance, fitness, hand-eye coordination, motor skills and understanding of concepts (eg. on, in, through, under). The sessions were full of big smiles and enthusiasm and we are all looking forward to continuing through the program in the coming weeks. Thanks to our volunteer helpers.*

*All Children Can Achieve Success*

## *St Justin's Parish School, Wheelers Hill*

*On Wednesday, our Running Club commenced. This club is a completely voluntary activity, supervised by Mr Clint Johnson and other members of staff. The aims of the club is:*

- *to aid in preparation for events such as Interschool Sport, District Athletics, the School Sports Athletic Carnival and the District Cross Country Championships,*
- *to promote healthy living and fitness through physical activity, and*
- *to build student self-esteem and confidence*

*The Running Club is for students in Years 3-6 - if participating student have a **sibling in Year 2** who would like to join, that is more than fine. Unfortunately any students younger than that makes things a little unsafe and will not be able to register this year.*

*The Running Club will continue to meet on **Wednesday mornings from 7:50am – 8:30am**. Some students will have PE the same day as Running Club but are encouraged to bring a spare school polo top to get changed into before school begins. Those who don't have PE on Wednesday can remain in their PE uniform for the day but as well are encouraged to bring a spare polo top.*

*As per last year, students can be dropped off at the front gate where a member of staff will be waiting on **the front oval**. Please ensure you drop off outside the school grounds and avoid parking across the school driveway. Students will then proceed to the back oval with the members of staff just before 8am. Please arrive no earlier than 7.50am as there is no one to supervise students before then.*

*Sometimes you may be unsure whether to go to school when the weather is threatening or drizzling. On days when it is looking like we could have guaranteed poor weather, I will make the call Tuesday evening and will send out a notification through our Skoolbag account. Please check first thing Wednesday morning! It is advisable to delete and re-upload Skoolbag so that you have the most updated version and please ensure notifications are on!*

*Whilst Running Club is aimed to be a fun, exciting and high energy experience it is expected that students take this extracurricular activity seriously and as a way to help them improve their general fitness. If students are making decisions that hinder the safety of themselves or others, parents will be notified and the student potentially will be asked not to continue with the club for some time.*

*To register your child to participate please fill in the Google Form via the link below by February 20th:  
<https://forms.gle/dLOSFRxTJ3tmxbhd7>*

*If you have any trouble registering, please email [cjohnson@sjwheelershill.catholic.edu.au](mailto:cjohnson@sjwheelershill.catholic.edu.au)*

*Thanks, Clint Johnson (PE Teacher)*

***All Children Can Achieve Success***

## *St Justin's Parish School, Wheelers Hill*

*Please be advised that all parents/carers/guardians who have been contacted to come onsite to collect a sick/injured child must sign their child out and wait in the front office for your child to be brought out to you. The exception to this is if you are specifically invited into the First Aid Room by a staff member. We request that all families respect that we have a duty of care to all students at the school and that includes the requirement to protect their privacy as well.*

### ***Dates for Term 1***

<i>Tuesday</i>	<i>1<sup>st</sup> March</i>	<i>Parents and Friends Meeting 7:00pm</i>
<i>Thursday</i>	<i>March 3<sup>rd</sup></i>	<i>Year 5 Excursion to Nazareth College</i>

## *St Justin's Parish School, Wheelers Hill*

### **COVID Update**

*This week the Victorian Government made further announcements to the existing COVIDSafe measures. For schools it means:*

- *Rapid antigen surveillance testing will continue until the end of Term 1, with all primary school students and staff recommended to test at home twice a week (Monday and Wednesday preferably for St Justin's). We are currently waiting on the latest delivery of RATs - as soon as they are available, we will distribute them to all students to take home, and for the students who are absent on that day, we will hold them in the student's classroom until their return.*
- *Covid-positive results need to be reported to:*
  - *Department of Health system ([Rapid antigen tests / Coronavirus Victoria](#)) or via the coronavirus hotline at 1800 675 398.*
  - *School by phone (9561 7644) or written notification [office@sjwheelershill.catholic.edu.au](mailto:office@sjwheelershill.catholic.edu.au); so the school can support them, record that they will be absent while in 7-day isolation, and let the rest of the school community know there has been a positive case onsite and that they should monitor for symptoms.*
- *Students and staff who have tested positive for COVID-19, have completed their 7-day isolation period and are subsequently asymptomatic do not need to undertake surveillance testing for 30 days.*
- *QR code check-in requirements will no longer be in place in schools.*
- *Visitors over 8 years of age are expected to wear a mask when they enter a school building (unless and exemption applies).*
- *Students in Years 3 to Year 6 are required to wear a mask when indoors (unless and exemption applies).*
- *Students in Years Prep – Year 2 are encouraged to wear a mask.*

*Thank you for your cooperation.*

### **Home Learning Packages**

*As many will now be aware, Home Learning tasks are made available to students who are required to isolate due to being a COVID close contact. These tasks are also available to children isolating if they have contracted COVID, if they are well enough to do so. Home Learning has been designed so that students can continue practising skills they need at their level of ability. The tasks are not required to be completed by students who are at home for 1-2 days with other illnesses.*

*It is not expected that your child completes every task in the pack. However if they are managing well and are able to do so, of course they can. All year levels are presenting these tasks in different ways. Some are paper based and supplied when required, others are pushed out through Seesaw, Google Classroom or email. You will need to make contact with your child's teacher to work with them as to what is best for your child.*

***All Children Can Achieve Success***

## *St Justin's Parish School, Wheelers Hill*

*One of the most important things to do while your child is at home is to find time to play board games and card games with them and practise daily reading. Many problem solving skills and higher order thinking can be gained through board games requiring strategic thinking. Having discussions about texts after reading and asking all the W-questions... Who, What, Where, When assists a child with comprehension. To take them further, ask WHY questions... Why do you think that? What evidence in the text has brought you to that conclusion? OR How might you have finished the story differently if you were the author? Why?*

*The classroom teacher needs to be made aware so they will know what they can set, based on what is happening with your child. Please make contact with your child's teacher about informing them of the situation and about accessing the Home Learning via email.*

*All Children Can Achieve Success*

## ***St Justin's Parish School, Wheelers Hill***

### ***St Justin's Swimming Program***

*The St Justin's Swimming Program will commence on the first day of Term 2, Tuesday 26<sup>th</sup> April and run for two weeks (nine lessons). This program is conducted for students in Years Prep-4. Parents wishing to support classes for this program are reminded that you will need a valid Working with Children Check and must have completed a volunteer interview with either Mr Torpey or Mrs Herbison. More information will be made available towards the end of this term.*

### ***Class Representatives***

*We are looking for volunteers to act as Class Reps, a big thanks to those who have already put their hand up for this, but we still need more volunteers. The role of class rep is to liaise with their respective teachers and help communicate information to the class parents. If you are interested in this, or have any further questions about it, please contact the P&F at [pnf@sjwheelershill.catholic.edu.au](mailto:pnf@sjwheelershill.catholic.edu.au) or feel free to chat to any of the committee members.*

### ***Lost Property***

*Please label all your child's uniform as we already have a collection of items in our lost property tub, which is located outside the Prep rooms. If clothing is labelled, we will endeavour to send it back to your child via our classroom bucket. Can we also ask you all to check that the uniform coming home is belongs to your child – often a jacket or hat is mistakenly picked up taken home by the wrong child? We thank you for your assistance.*

### ***Drop Off***

*Please note that students should not be dropped off or picked up in the staff carpark. In the morning and at the end of the day, the car park becomes a busy place with people walking in all directions.*

### ***Smart Phone App***

*Members of our school community are invited to download our Smart Phone App. The App is used for communication between school and home – it is a portal for notifying absences, newsletters, notices and messages relevant to members of our school community.*

*To download the app simply search for St Justin's Catholic School, Wheelers Hills in the App store on your iPhone, Smartphone or iPad.*

***All Children Can Achieve Success***

## *St Justin's Parish School, Wheelers Hill*

### ***Enrolments 2023***

*We are accepting Prep enrolments for students of current families at St Justin's for Prep 2023. Please contact the office for a form and we can send one home with a sibling for you. We would like these forms returned by March 17<sup>th</sup> 2022 so we have an idea of our numbers for 2023 before we offer places to new families.*

*Our Open Day is planned for on **Thursday March 17**, 9am-3pm, which is an opportunity for new families looking for a school for their children for 2023 to come along and have a look at our school and at that time collect an enrolment form. So if you know someone who is getting a child ready for school be sure to let them know!*

## Collection Notice for parents/guardians

### 2022 Student Residential Address and Other Information

The Australian Government Department of Education, Skills and Employment (the department) would like to notify you that a request has been made for your child's school to provide residential address and other information as required under the *Australian Education Regulation 2013*.

The school is required to provide the department with the following information about each student at the school:

- Names and residential addresses of student's parent(s) and/or guardian(s)
- Student residential address (**excluding student names**)
- Whether the student is a primary or secondary student (education level)
- Whether the student is boarding or a day student (boarding status).

The school collects the above information by generating a **unique and unidentifiable** – student reference number (SRN) for each student record. The SRN is also **only** used by the school for this collection. **It is not allowed to be used for any other purpose.** The number only indicates to the department that each record provided is for one student.

#### Purpose of the collection

The Student Residential Address and Other Information Collection (the Collection) informs Australian Government school education policy and helps ensure funding for non-government schools is based on need basis.

The information collected will be used to inform school funding calculations. It is combined with data held by the Australian Bureau of Statistics (ABS) to calculate a non-government school community's anticipated capacity to contribute to the costs of schooling.

From 2020, a new measure of capacity to contribute, the Direct Measure of Income (DMI), was introduced. The DMI is based on the median income of parents or guardians of students at a non-government school using data collected through the Collection. More information about the DMI can be found on the [Quality Schools Package](#) page on the departmental website.

#### Use and disclosure of personal information

**Your personal information is protected by law** under the *Privacy Act 1988* (Cth) (Privacy Act). Personal information is information or an opinion about an identifiable individual. Personal information includes an individual's name and contact details.

Any use or disclosure of your personal information must occur in accordance with Privacy Act and the *Australian Education Act 2013* and *Australian Education Regulation 2013*.

Your personal information provided to the department through the Collection may be:

*All Children Can Achieve Success*

## *St Justin's Parish School, Wheelers Hill*

- disclosed to the ABS for the purposes of capacity to contribute calculations and analysis as a part of the Multi-Agency Data Integration Project (MADIP). Further information about MADIP can be found on the [MADIP page](#) on the ABS website.
- disclosed to a contracted auditor where the department may from time to time, carry out an audit of a school's submission to the Collection. The contracted auditor compares the school's submission with the student enrolment information held by the school and will not use the information for any other purpose.
- disclosed to its service providers for the purposes of the provision of information and communications technology support services to the department.
- used or disclosed where it is otherwise required or authorised by law.

The department does not intend to disclose your personal information to any overseas recipients.

The department's privacy policy can be found at [www.dese.gov.au](http://www.dese.gov.au) and includes information on:

- how individuals can access and seek correction of the personal information held by the department;
- how complaints about potential breaches or breaches of the Privacy Act can be made;
- how the department will deal with these complaints.

The department commissioned an independent privacy impact assessment (PIA). The PIA assesses the flows of information under the Collection, compliance with the Privacy Act and measures in place to safeguard the personal information being collected. The current version is available at <https://www.dese.gov.au/school-funding/resources/2018-student-residential-address-collection-additional-required-information-privacy-impact>

### **What do you need to do?**

You are not required to do anything. Your school is responsible for providing the requested details to the department; however, you may wish to ensure that your school has the most up-to-date and correct details for your family.

### **Contacts for further information**

Your school can provide additional information about the Collection process.

Alternatively, please visit the [SchoolsHUB Address Collection help and support page](#).

**NAZARETH**  
COLLEGE

# OPEN EVENING

22 MARCH 2022

## Session 1

4:00 - 5:30 pm

## Session 2

5:30 - 7:00 pm

## Session 3

7:00 - 8:30 pm

### **Explore the difference a Nazareth education provides**

The Nazareth College Open Evening is a great opportunity for the whole family to experience all our College has to offer. You will hear from our Principal, Mr Sam Cosentino, view performances and demonstrations from several learning areas as well as have the opportunity to ask questions and discuss important aspects of the College with key members of our staff.

Registrations essential
